PRODUCT DESCRIPTION

The i5 Industries Connect Training Table 30" x 72" is the ultimate solution for training centers, educational spaces, seminar rooms, and meeting areas. The Rayne laminate top is 1" thick with 3mm edge banding in two coastal finish options. This versatile table features a centered paddle that enables the top to flip up for storage at 90 degrees. Connects nest with other connects up to 10 deep. The table comes shipped with both glides and casters, allowing the table to be mobile for easy reconfiguration or stationary for long-term setups. Built from durable, commercial-quality materials, Connect Training Tables are made to withstand everyday use in fast-paced environments. Modesty panels are available for purchase, whether you need it to match or want to mix it up.
