PRODUCT DESCRIPTION

Fusion metal legs add an industrial style to Kai Line's contemporary feel. This desk is ideal to be used as an office desk, student desk, a writing desk, a computer desk, a meeting table, or as part of a larger workstation. This clean aesthetic lends itself to a variety of environments such as commercial office, open plan, or in a home office. The legs are stronger, thicker steel that provide additional stability, and the top is scratch resistant and easy to clean. There is plenty of leg room and if you need storage, add a mobile pedestal to store underneath. Easy to assembly with all hardware included. Available in six top finishes and three base finish options.
