PRODUCT DESCRIPTION

Redefine your conference rooms with the contemporary design of the Gravity Conference. With its sleek and slim lines and the shine of aluminum, the Gravity Conference upgrades any conference space with comfort and class. Available in breathable mesh or smooth leather, each offering its own distinct style. Each Gravity Conference chair features a multi-function mechanism, effortless gas lift, and a back tilt that reclines naturally as your meetings progress. Perfect for conference and meeting areas, office suites, or home offices. Looks great and feels even better.
