PRODUCT DESCRIPTION

The iRize Electric L-Shaped Height Adjustable Base can be used to create commercial-quality corner desks or fit into L-Shaped workstations. What makes iRize standing desks great is how quiet they are and how easy it is to get the exact elevation needed to reduce wrist strain and increase productivity levels with timed reminders that help keep you moving throughout your day. iRize can fit into your workstation setup or fully integrate it with Kai Line laminate products to create a tailored experience. All iRize standing desks adjust to heights that meet BIFMA Ergonomic guidelines. Available in three powder-coated base finishes.
