PRODUCT DESCRIPTION

This four-drawer laminate bow front desk measures 41 inches in width at its deepest point. This executive-style desk has a bowed front with fluting, giving it a modern aesthetic that won't go out of style. There is a large surface area with storage to match and can fit up to three computer monitors comfortably. Featuring two suspended drawers on one side and two hanging drawers on the other, each pedestal is secured by a single lock and key with drawers that open and close on smooth metal runners. The file drawers have a removable hanging file bar for better organization. This size is ideal for executive offices or spaces where surface area is important, and it was built for durability with a heavy-duty cam and dowel system. Over-engineered, this desk has over 15 connection points. Available in five laminate finish options.
