PRODUCT DESCRIPTION

This contemporary reception desk shell is sure to make a great first impression. Fully reversible, this desk can be used as a left-handed or right-handed desk. The transaction counter stands 3.5 feet tall with a fluted edge banding and a slight bow for an extra touch of visual interest that complements the beautiful laminate finish. There are two drawers on one side, three drawers on the other and each pedestal secures with a single lock and key. Commercial quality construction that is overengineered with 15+ connection points and a heavy-duty cam and down system. The interior top contains two grommets for cord maintenance and protection. This reception main desk is versatile and can combine to form L-shaped configurations and U-shaped configurations when more elaborate spaces need to be created. Available in five finish options. Custom keying options available.
