This Privacy Screen is designed for commercial workspaces that need effective privacy without sacrificing flexibility. Built with sound-absorbing material, it helps reduce noise and distractions in open offices, call centers, education, and healthcare environments. The panel is fire-retardant, mold-proof, and moisture-proof, making it suitable for high-traffic and regulated settings. Its lightweight design allows for quick installation and easy reconfiguration as layouts change. Privacy screen clamp required (sold separately). Available in Dusk, Lagoon, Raven, Cardinal, Navy, and Oyster, these finishes support a wide range of office aesthetics and brand standards.
