PRODUCT DESCRIPTION

A chair so comfortable at the office, you'll want to take one home. The Gravity Task Chair is loaded with features that make it uniquely tailored to your workflow. The 4D arms on this are a must and easy to adjust. Set the height, seat depth, and lumbar exactly the way you want it so you can do your best work. The banded mesh supports your back while keeping you cool with a slimmer, refined design. The seat is especially comfortable, allowing for all-day comfort in a chair that won't wear out on you. Available in four color combinations.
