About i5 Industries

Our mission is to provide high-quality, innovative office furniture solutions that enhance productivity and foster collaboration in the workplace. We are dedicated to delivering exceptional service and reliable products while promoting sustainability and supporting our communities. Through our commitment to excellence and integrity, we strive to create inspiring environments where businesses and individuals can thrive. Quality products built right to stand the test of time are at the pinnacle of our business and will continue to be the driving force in everything that is yet to come.

Ordering Information

Pricing

All orders are subject to prices in effect at the time of order.

How to Order

Ordering information appears at the back of this list price book with examples of how to specify.

How to Specify

Specifying information is also available on each product section page list in bold.

Warranties

i5 Industries 10 Year Warranty applies to all Kai and Rayne laminate products. Individual product line warranty may apply. Full warranty information is located at the back of this list price book.

Rayne

Rayne provides a contemporary feel with rich finishes, which harness professional tranquility. The line offers many options to create an eye catching aesthetic for any workplace. It has a beautiful flat edge that complements the finish options well, along with a sleek L-shaped pull. It is such a versatile line that it can collaborate with iRize, Connect, and Fusion. No matter your space, Rayne will create the most beautiful office environment.

Features

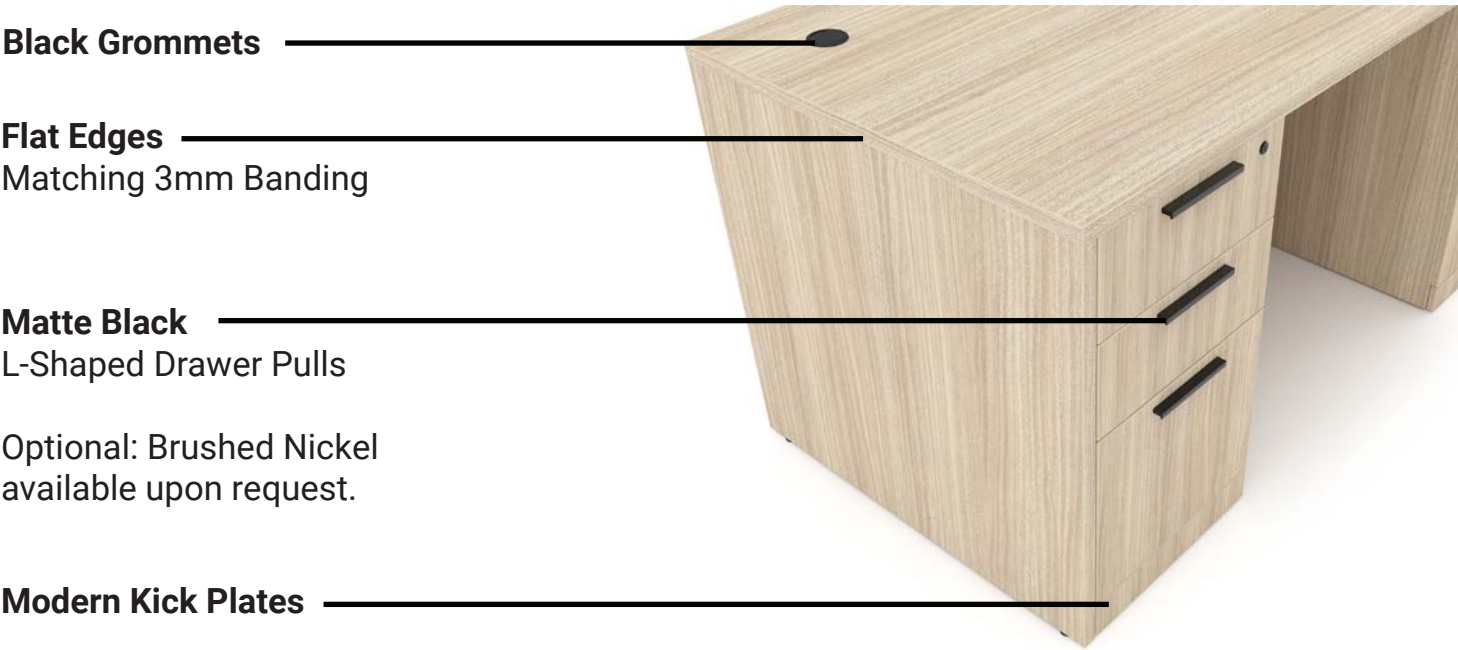

- Modular design that is fully integrable with iRize height adjustable desks and Fusion metal base product lines to create custom workstation combinations or personalize private office spaces.
- Wide variety of storage options featuring modern kick plates. All pedestals, lateral files, wardrobes, and storage cabinets are lockable, reversible, and arrive fully assembled.
- Premium grade scratch resistant melamine that is imported from Europe and sustainably sourced.
- Meets BIFMA/ANSI standards for durability.
- UL Greenguard Gold certified.

How to Specify Product Code

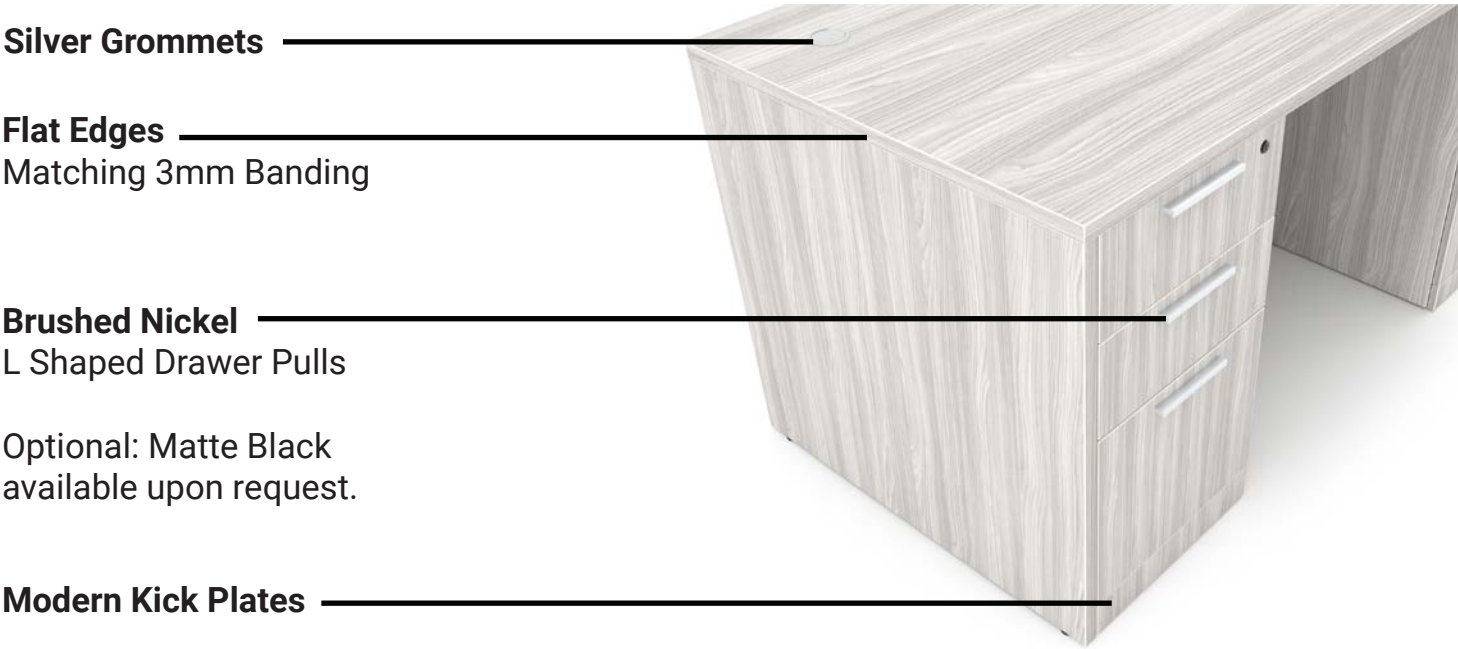

Coastal Dune

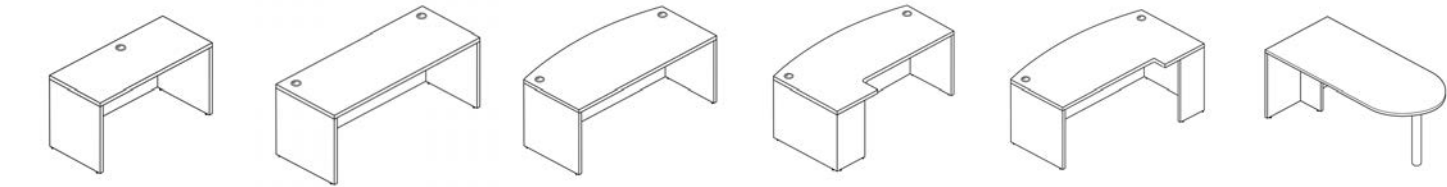

Coastal Dune is a gentle, warm sandy color with creamy beige undertones that adds a bit of inspiring beauty to an office space.

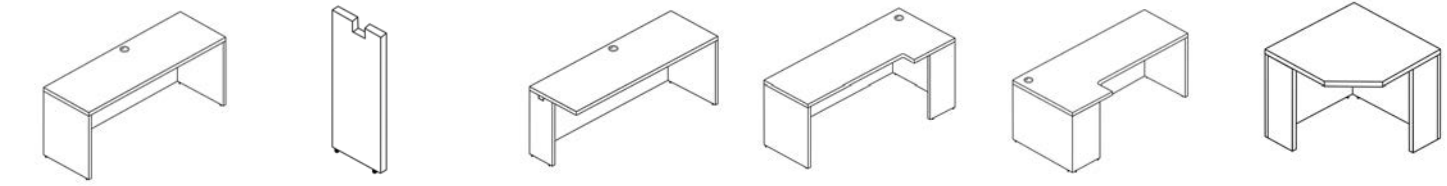

Harbor Elm

With the quietest of lilac hues, Harbor Elm immerses a room with a dreamlike quality to spark the imagination and drive innovation.

Kai

Kai blends classic design with modern refinement, creating spaces that inspire productivity and professionalism. It’s elegant, fluted edges and sophisticated finishes evoke a sense of timeless reliability. As a modular line, Kai seamlessly integrates with our iRize, Connect, and Fusion lines, providing flexible solutions to create your ideal office space.

Features

- Modular design allows for mixing and matching finish options and building your desk, your way.
- Integrates with Fusion metal base system and iRize height adjustable desks to add modern industrial style in with beautiful classic laminate finishes.
- Premium grade scratch resistant melamine in six finish options.
- Made from sustainably sourced laminate.
- Overengineered with 15+ connection points to withstand everyday use with 1” leveling glides for added stability.
- Meets BIFMA/ANSI standards for durability.
- UL Greenguard Gold certified.
- Imported from Europe.

Fusion

Fusion brings contemporary transformation to a traditional design with strength and stability. The Fusion metal line creates endless possibilities when it comes to personalizing a space. These products complement and work well with many of our other lines. Whether you are creating an open plan for collaborative work or a private office, Fusion makes it easy to continuously transform your space as your needs and workflow evolve.

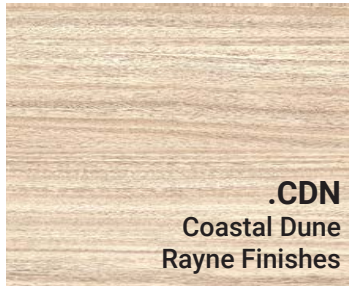

Features

- Versatile and highly integrative at a fraction of the cost, Fusion melds perfectly with Kai, Rayne, and iRize to create modern sleek office spaces.
- Although we recommend using Fusion with our products, it could pair with lines from many other commercial manufacturers to create the perfect design you need to achieve.
- Commercial quality construction with ability to hold up to 330 lbs.
- The Fusion table bases support both square and round tops whether it’s in a breakroom, lounge area, cafe, lobby or private office space. Pair with Rayne, Kai, or another favorite top for a great look.
- Meets BIFMA/ANSI standards for durability.
- UL Greenguard Gold certified.

How to Specify Product Code

Laminate Finishes

 .ESP Espresso Kai Finishes	 .MAHO Mahogany Kai Finishes	 .SG Samoa Gray Kai Finishes	 .WN Walnut Kai Finishes
 .WHT Matte White Kai Finishes	 .BLK Black Kai Finishes	 .CDN Coastal Dune Rayne Finishes	 .HEM Harbor Elm Rayne Finishes

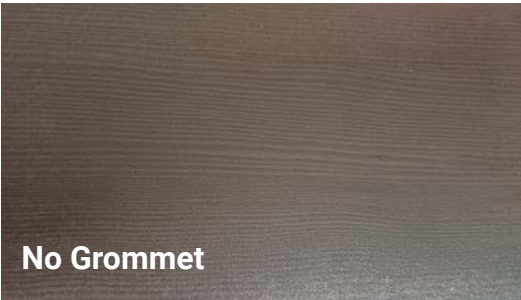

Base Finishes

 .SLV Silver	 .WHT Matte White	 .BLK Matte Black
---	--	--

Edge Types

 Flat Edges (Rayne Finishes)	 Fluted Edges (Kai Finishes)
--	--

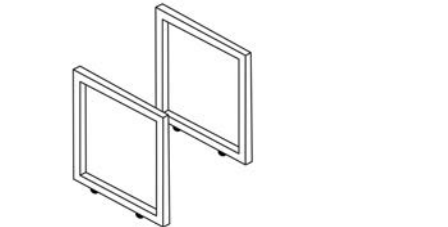

Grommet Options

 No Grommet	 Grommet
---	--

Metal O-Leg
Single

- Notes:
- Compatible with 24” depth worksurfaces / tops
 - Compatible with Kai and Rayne rectangular worksurfaces

Metal O-Leg
Pair

- Notes:
- ML30 is compatible with 30” depth worksurfaces
 - ML36 is compatible with 36” depth worksurfaces
 - Compatible with Kai and Rayne rectangular worksurfaces

Adjustable Support Beam

- Notes:
- MB42 fits 42” - 58” width worksurfaces
 - MB60 fits 60” - 75” width worksurfaces

iRize

Features

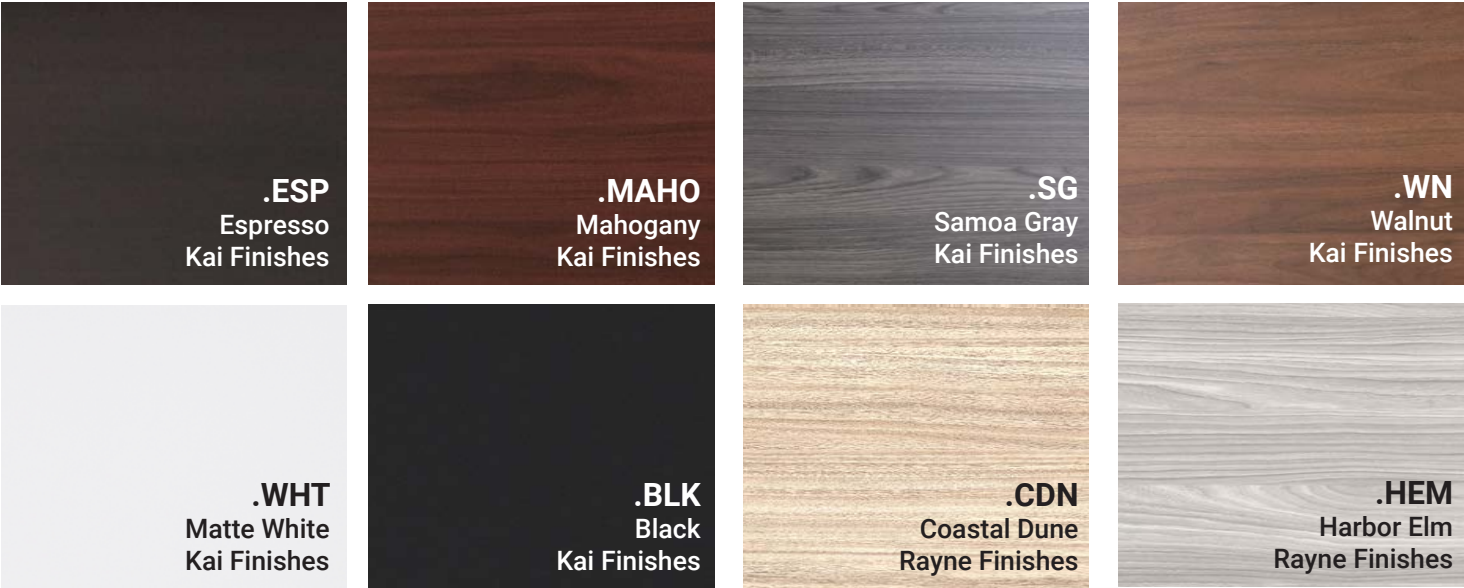

Finding the perfect desk height is a single button push away with our iRize height adjustable desks and bases. Whether you're sitting or standing, the benefits of a precision lift last long after you've left the office. Reduce your wrist strain and shoulder hunching by finding a height that works for you and not against you. Discover new ways to integrate a healthier lifestyle into your workflow with over eight different top options with matching storage when you pair iRize with Kai or Rayne. Creates rectangular, L-Shaped, and U-Shaped configurations that standalone or inside cubicle spaces to achieve better a better flow in any space.

- With an ultra quiet motor and a smooth lift, the iRize will blend seamlessly into your current workflow. The motor runs under 50 decibels, making it ideal in busy shared spaces or in the home.
- A built in censor detects collisions and pinching.
- iRize bases are stable and will not shake or disrupt your setup when a lift is in progress.
- Timed reminders allow you to schedule when to sit or stand throughout your day so you won't forget.
- Meets BIFMA's ergonomic guidelines for individuals between 5'0 and 6'3 in height.
- Program up to three height presets to remember your favorite settings to get back to the perfect height quickly every time.

How to Specify Product Code

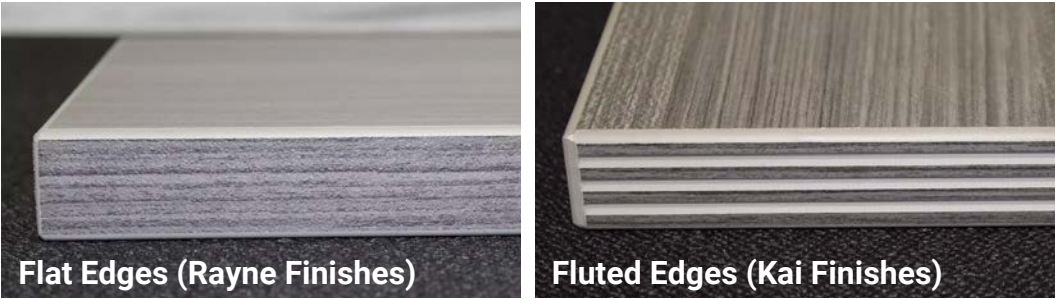

Laminate Finishes

Base Finishes

Edge Types

Grommet Options

K-268 Straight Base

Weight Capacity	220lbs

Modesty Panel

Notes:

- Panel only no brackets.

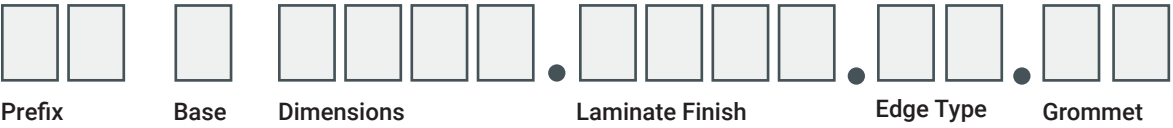

Connect

Moving and reconfiguring your space is a breeze with Connect training tables. Built with a powder coated steel frame, Connect bases are sturdy and stable. Choose from a wide selection of top sizes and colors that will blend seamlessly into your current space. Setting up your training area has never been easier as the casters glide and lock into place. Mix and match modesty panel colors for a unique look with a hinged bracket that store flat against the top. Once you're done with Connect, simply lift the centered paddle and flip the top up 90 degrees to maximize your storage space.

Features

- Compacting nesting that minimizes storage space between tables that chain easily together.
- An easy access centered paddle is designed for a quick top flip that goes from 0 to 90 degrees in a smooth one hand lift.
- Supports a wide variety of top widths with an adjustable crossbeam that extends from 48" to 72" with a load capacity of 157 lbs.
- Compatible with 24" to 36" depths which includes most standard size tops.
- Both glides and casters are included with every purchase to allow for more flexibility on how the training tables are used.
- Modesty panels are available in Kai and Rayne finishes to allow you to mix and match the top and modesty panel how you see fit.

Get Creative

Connect training tables are easy to configure in large or small spaces. With hardwood casters, they roll smoothly over hard surfaces and lock into place. Some recommended configurations are conference, classroom, U-shape, or small group styles. You can also add modesty panels to Connects for classroom or small group configurations for additional privacy.

Seating

Gravity is our best selling line of task chairs. Loaded with features, you can mix and match seat and mesh colors to achieve a modern and stylish look in any office.

Nova sports a sleek silhouette and is loaded with features at an incredible price. From workstations to training rooms, Nova is made to impress with their comfort and durability.

Gravity Conference chairs have a luxurious feel, creating upscale conference or meeting rooms on a budget. Each chair features elegant loop arms and a buttery soft leather or mesh that are designed for all day support.

Switch nesting chairs with a unique silhouette and sculpted foam seats that maximize storage space. Pairs well with Connect.

Features

- Our chairs are commercial quality with premium materials that look and feel expensive without costing a premium.
- Every task chair is fully loaded with features including 4D Arms that adjust their height, depth, width, and pivot.
- Gravity, Nova, and Switch all have adjustable lumbar support to keep you aligned throughout your day.
- Our chairs roll well on carpet or hardwood.
- All chairs meet or exceed BIFMA / ANSI standards.
- Gravity and Gravity Conference Chairs are UL Greenguard certified.

Environmental Statement

We continue to evaluate and improve our products and processes to be as carbon-neutral as possible. From our packaging to how we source our laminate, we constantly look for ways to create safe, sustainable solutions. Because of this, we have attained product certifications that require us to test our products to maintain this level of scrutiny so that your products create environments that are as eco-friendly as possible.

Committed

Our laminate is sourced from a sustainable forest. Trees felled in a sustainable forest follow the natural patterns of disturbance and regeneration. After the trees are removed, a seedling is planted to replace the old tree and grow the new one. This process balances the environmental, social, and economic objectives that may come from sourcing wood that is used for generations to come.

Certified

UL Greenguard Gold Certified

Our products are tested for over 10,000 chemicals and meet the strict criteria to limit your exposure to toxins. The average American spends 90% of their time indoors, breathing the same air as their products. We want to make sure that air is as clean as possible.

CARB2 Compliant

We undergo quarterly inspections and testing on all our composite wood materials to comply with health and safety standards that limit levels of chemicals such as formaldehyde for safe air quality in indoor spaces.

BIFMA/ANSI Certified

Our products are tested in an ISO 17025 accredited test lab and are subject to random audits to maintain Comfort, Safety, Sustainability, and Durability standards.

TSCA Title VI

Our products undergo vigorous testing for lead paint and formaldehyde to meet emissions standards set by EPA recognized certifier for toxic substances.

Carbon Neutral

Our products are as carbon neutral as possible so when you buy i5, you know you're doing your part too.

Warranty Information

Industries

10 YEAR WARRANTY

The warranty period for purchases from i5 Industries is 10 years from the date of purchase. All warranties are to the original purchaser from authorized dealers only. You should contact the authorized dealer from whom you purchased your product to file a warranty claim on your behalf. Warranties are not transferable. Proof of purchase is required to process a claim. All warranties are limited to manufacturing and material defects that appear under everyday commercial use.

RAYNE WARRANTY

- Rayne laminate case goods and tops are covered for 10 years from the date of purchase.

KAI WARRANTY

- Kai laminate case goods and tops are covered for 10 years from the date of purchase.

FUSION WARRANTY

- Fusion metal bases are covered for 10 years from the date of purchase.

IRIZE WARRANTY

- iRize manufacturer warranty covers 2 years on the electrical components and 5 years on the mechanical components.

CONNECT WARRANTY

- Connect manufacturer warranty covers 5 years on the mechanical components.

LIMITATION OF LIABILITY

Limitation of Liability applies to all warranties. i5 Industries is, in no event, liable for incidental or consequential damage, even if it had reason to know in advance that such damages were possible. This warranty gives you specific legal rights and you may have other rights that vary from jurisdiction to jurisdiction. Some jurisdictions do not allow the exclusion of implied warranties or the limitations of damages, so the above exclusion and limitations may not apply to you. In such an event, such warranties are limited in duration to the applicable warranty period and no warranties apply after that period. i5 Industries is not liable for lost profits, loss of goodwill, stored data, or exemplary damages. i5 Industries shall not be responsible for verifying the description of needs, data, or the fitness for a particular purchase of goods. i5 Industries reserves the right to require defective parts to be returned upon request.

For the most up to date information, please visit www.i5industries.com/warranties

WHAT IS NOT COVERED?

- Transportation or labor costs
- Improper assembly or installation
- Parts & handling fees
- Negligence
- Misuse
- Excessive soiling
- Transportation or freight damage
- Exposure to the elements
- Improper cleaning or treatment
- Difference in products acquired on different dates
- Products that have been altered
- Chrome finish in plastic parts
- Parts or components with natural wear and tear
- Deformations on foam used in seating and backrests. Up to 10% of their original size are considered to appear with use.

NOVA WARRANTY

- Nova warranty coverage includes plastic parts with structural function and defective metal components for 10 years.

SWITCH WARRANTY

- Switch warranty coverage includes plastic parts with structural function and defective metal components for 10 years.

GRAVITY WARRANTY

- Gravity and Gravity Conference warranty coverage includes plastic parts with structural function and defective metal components for 10 years.
