Kai Laminate Casegoods

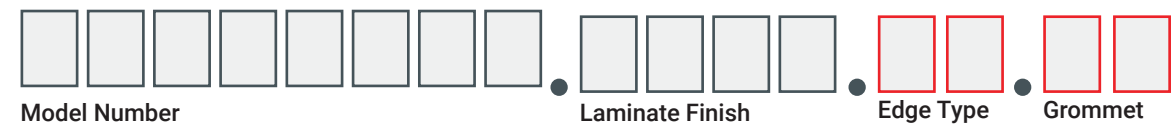

Kai consists of desks, credenzas, reception desks, conference tables, coffee end tables, and a large selection of storage options. Kai is a fully modular commercial laminate line that offers the freedom and flexibility to build desks and tables from components listed in the component section of this book.

Features

- Top and side panels are 1" thick three-ply balanced panels
- Overengineered with 15+ connection points
- All storage is lockable
- Leveling glides adjust up to 1" for added stability
- 3mm edge banding in a lighter color for modern aesthetic
- Premium grade thermally fused melamine
- Full height storage includes 2" kickplate for added durability
- UL Greenguard Gold Certified
- BIFMA / ANSI Certified
- TSCA IV Compliant
- CARB2 Compliant
- Imported from Europe

How to Specify Product Code

Kai Typicals

Finishes

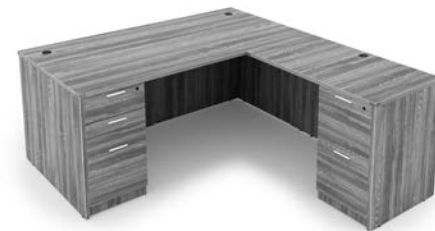

.ESP Espresso

.MAHO Mahogany

.WHT Matte White

.SG Samoa Gray

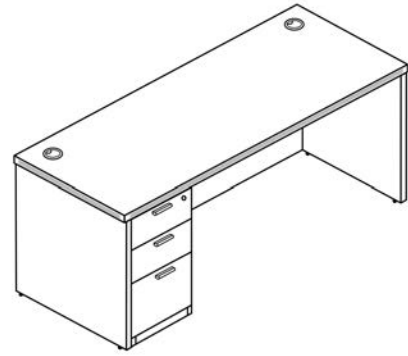

.WN Walnut

- Black finish is available for mobile pedestals and certain worksurfaces
- Colors pictured are representation only. For exact color matching, please request a finish sample. Samples are available in fluted and non-fluted wood blocks.
- Default keyhole shaped handle finish is silver nickel. Matte black handles can be ordered for additional charge.

Fusion Metal Base System

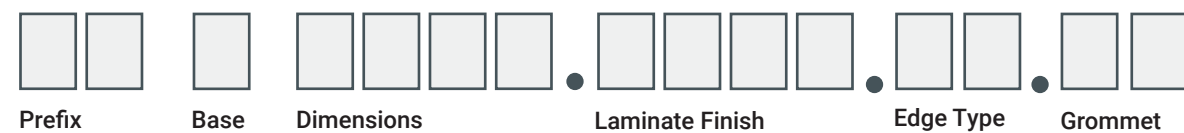

Fusion is a metal base line that integrates with both Kai laminate casegoods and iRize height adjustable desks. It is also compatible with most standard sized laminate tops. For the metal desk and table bases only, flip to the component section of this list price book.

Features

- Powder-coated smooth frame
- Each leg is 1" thick and made of steel
- BIFMA / ANSI certified
- UL Greenguard Gold certified laminate
- Optional square or round tops available for table bases
- Optional fluted or non-fluted tops available
- Optional grommet top versions available
- Recommended desk top width: 36" - 72"
- Recommended desk top depth: 24" - 36"
- Recommended table base top sizes: 36" - 42"
- Tested to 330 lbs

Connect training tables and bases are width adjustable and fit a wide range of top sizes. The top flips up 90 degrees and nest with other Connects for a compact storage solution. Compatible with Kai laminate tops and modesty panels.

Features

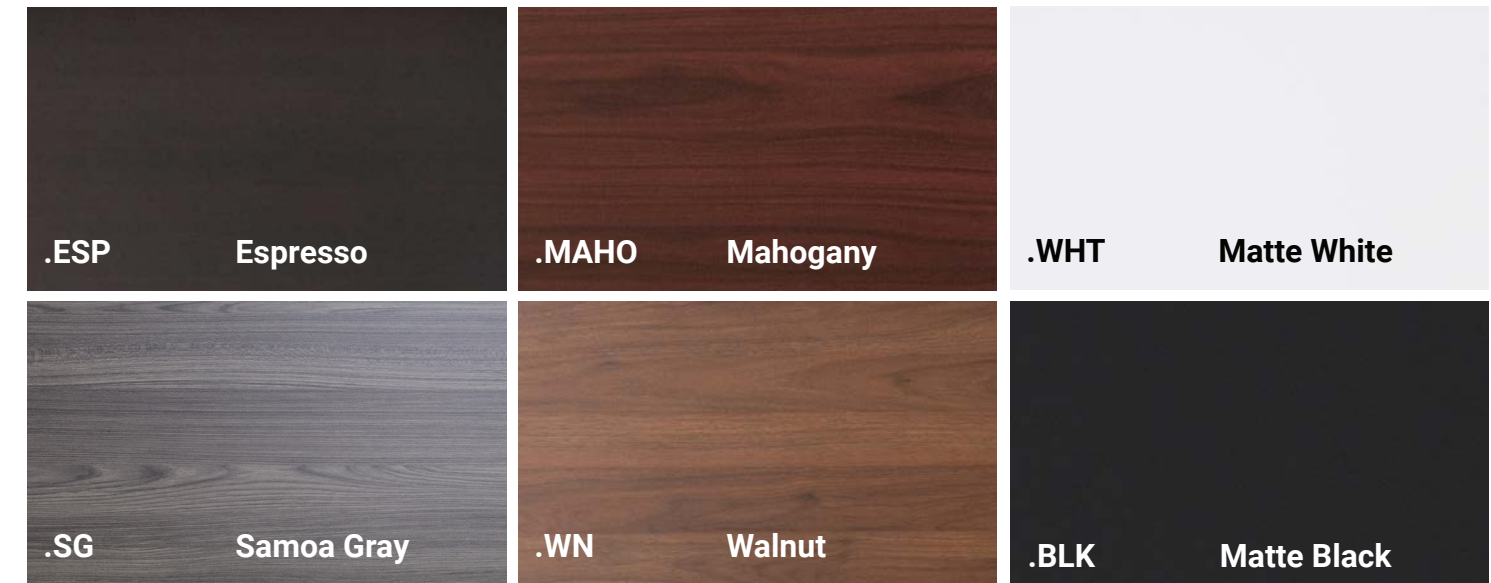

- Nests with other Connect tables
- Compact nesting minimizes storage space between tables
- Easy access centered paddle for quick flip
- Compatible with 24" and 30" depths
- Adjustable crossbeam accommodates widths from 48" to 72"
- Optional laminate modesty panel available
- Optional hinged brackets can be used with modesty panel
- Glides and casters included with every base
- Meets BIFMA/ANSI standards
- Laminate is UL Greenguard Gold certified
- Tested to 154 lbs load capacity

Connect Configurations

Get Creative

Connect training tables are easy to configure in large or small spaces. With hardwood casters, they roll smoothly over hard surfaces and lock into place. Some recommended configurations are conference, classroom, U-shape, or small group styles. You can also add modesty panels to Connects for classroom or small group configurations for additional privacy.

Environmental Statement

We continue to evaluate and improve our products and processes to be as carbon-neutral as possible. From our packaging to how we source our laminate, we constantly look for ways to create safe, sustainable solutions. Because of this, we have attained product certifications that require us to test our products to maintain this level of scrutiny so that your products create environments that are as eco-friendly as possible.

Committed

Trees are felled to supply wood for our laminate products come from sustainable sources. Trees felled in a sustainable forest follow the natural patterns of disturbance and regeneration. After the trees are removed, a seedling is planted to replace the old tree and grow the new one. This process balances the environmental, social, and economic objectives that may come from sourcing wood that is used for generations to come.

Certified

UL Greenguard Gold Certified

Our products are tested for over 10,000 chemicals and meet the strict criteria to limit your exposure to toxins. The average American spends 90% of their time indoors, breathing the same air as their products. We want to make sure that air is as clean as possible.

CARB2 Compliant

We undergo quarterly inspections and testing on all our composite wood materials to comply with health and safety standards that limit levels of chemicals such as formaldehyde for safe air quality in indoor spaces.

BIFMA/ANSI Certified

Our products are tested in an ISO 17025 accredited test lab and are subject to random audits to maintain Comfort, Safety, Sustainability, and Durability standards.

TSCA Title VI

Our products undergo vigorous testing for lead paint and formaldehyde to meet emissions standards set by EPA recognized certifier for toxic substances.

Carbon Neutral

Our products are as carbon neutral as possible so when you buy i5, you know you're doing your part too.

Warranty Information

Industries

10 YEAR WARRANTY

The warranty period for purchases from i5 Industries is 10 years from the date of purchase. All warranties are to the original purchaser from authorized dealers only. You should contact the authorized dealer from whom you purchased your product to file a warranty claim on your behalf. Warranties are not transferrable. Proof of purchase is required to process a claim. All warranties are limited to manufacturing and material defects that appear under everyday commercial use.

KAI WARRANTY

- Kai laminate casegoods and tops are covered for 10 years from the date of purchase.

FUSION WARRANTY

- Fusion metal bases are covered for 10 years from the date of purchase.

IRIZE WARRANTY

- iRize manufacturer warranty covers 2 years on the electrical components and 5 years on the mechanical components.

CONNECT WARRANTY

- Connect manufacturer warranty covers 5 years on the mechanical components.

GRAVITY WARRANTY

- Gravity and Gravity Conference warranty coverage includes plastic parts with structural function and defective metal components for 10 years.

LIMITATION OF LIABILITY

Limitation of Liability applies to all warranties. i5 Industries is, in no event, liable for incidental or consequential damage, even if it had reason to know in advance that such damages were possible. This warranty gives you specific legal rights and you may have other rights that vary from jurisdiction to jurisdiction. Some jurisdictions do not allow the exclusion of implied warranties or the limitations of damages, so the above exclusion and limitations may not apply to you. In such an event, such warranties are limited in duration to the applicable warranty period and no warranties apply after that period. i5 Industries is not liable for lost profits, loss of goodwill, stored data, or exemplary damages. i5 Industries shall not be responsible for verifying the description of needs, data, or the fitness for a particular purchase of goods. i5 Industries reserves the right to require defective parts to be returned upon request.

For the most up to date information, please visit www.i5industries.com/warranties
