iRize

Standing Desk

Small adjustments make a big difference. With a smooth and precise lift, you can adjust the iRize to relieve strain as you shift your posture throughout the day. When you find a height that works for you, add it as setting 1, 2, or 3 so you can go back to it whenever you need it. Energize your work to reduce fatigue with timed reminders to switch from sitting to standing. Relieve the pain of a non-optimized desk setup and improve your health and productivity today.

Expandable Crossbeam

Endless Combinations

We've made it simple to integrate your new standing desk into any space with timeless finishes that match the feel of any office from classic to modern. Our Kai laminate product line features a wide range of furniture that adds style and flow to your office by blending fixed height desking and storage with the benefits of a height adjustable main desk.

iRize also pairs well with our Fusion metal base system for a sleek and modern aesthetic.
