KAI FEATURES + FINISHES

Sleek, modern, well crafted laminate. Kai is a European import that seamlessly blends style and durability. Overengineered with 15+ connection points, Kai uses a heavy duty cam and dowel system that allows the furniture to be uninstalled and reinstalled while maintaining its quality. Sourced from a sustainable forest, Kai laminate is as carbon neutral and eco-friendly as it gets.

1. Black keyhole shaped handles.
2. Silver nickel keyhole shaped handles.
3. Grommets for data and power protection.
4. Fluted edges with 3mm protective banding.
5. All storage is lockable with custom keying options available.
6. Heavy duty cam and dowel system.

All Kai laminate products are UL Greenguard Gold and BIFMA compliant. Items eligible for GSA contract pricing will have a ★ symbol.
